Entries received by Wed. 2<sup>nd</sup> June will participate in a random bib draw. Entries received after this date will be added to the end of the start list in the order received. Late entries will be accepted up to 15 minutes prior to the drivers meeting.

The **Novice** class is a 1 dog class reserved for genuine novice **drivers**. If you've raced in previous years, then you're probably not a novice any more – it's time to step up to Touring or 1 Dog.

The **Touring** classes (1 dog or 2 dog) are less-competitive classes for those who like the idea of a shorter track, for recently graduated novices or experienced mushers who have an extra dog or two they want to run etc.

The **Veteran** classes (1 dog or 2 dog) are for dogs at least 7 years old.

The **Veteran, Touring, Novice, and Junior** classes will be run together over the same track. This may be amended for the convenience of 2 dog Touring & 2 dog Veteran entrants if there is sufficient demand.

The **2 Dog and 3 Dog** classes will be run together over the same track. Likewise **4 Dog with 6 Dog**.

**This is an Open All-Breeds Race**
